After Compliments,

**First International Operational Readiness and Airport Transfer Conference
as of 25th and 26th March, 2015
In Shangri-La Hotel, Muscat - Oman**

Dear Sir,

On behalf of The HIVE Conference Committee we are pleased to thank you for your stimulating **speech** and outstanding presentation you made at the **First International Operational Readiness and Airport Transfer Conference, The HIVE – Building Connections** in Sultanate of Oman organized by Oman Airports Management Company.

Please accept our sincere appreciation for your kind participation. Your inspiring presentation contributed and benefited to each and every attendant there at The HIVE. The slides you showed gave us a close look at the ORAT process that we could not have gained in any other way. Thank you for sharing your time, knowledge and experience with us. Since we are planning to open new airports in Sultanate of Oman and entering a new growth phase in terms of ORAT, your comments were very timely, we believe we can benefit immediately from the various methods and approach you suggested and discussed at the conference. We know we have learned a great deal with the valuable guidance you have imparted on us.

We are grateful that the purpose of The HIVE to bring together regional and global consulting firms and airport management companies, in addition to the authorities and companies involved in airport management and operation, views and experiences exchanged, along with plans and strategies pursued by those airports in the implementation of these mega-projects was very accurately met.

Regards,

Dr. Khalfan Said Al Shueili
General Manager Readiness
Head of Conference Committee
